## Mike Smith - Pursuing Your Passions

Principals Blomgren (SJHS) and Mandarino (Upton MS) collaborated on a Special Fund Request grant to address social-emotional programming for students in grades 6-12. The SJPS Foundation awarded \$6,205 to bring highly sought out presenter [Mike Smith](#) to our district to speak directly with high school and middle school students.

Mike presented two assemblies and later led leadership workshops with smaller groups.

*"Mike did an unbelievable job of relating to and captivating the attention of our entire student body in the all high school assembly. He was extremely personable and his story of finding his passion was inspiring to our students and staff"*

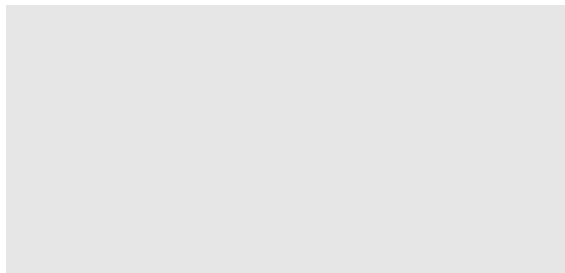

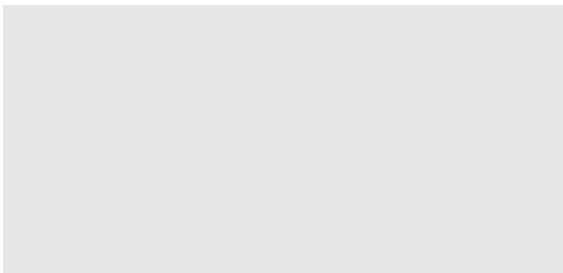

~Principal Blomgren

*"The presentation was one that students will remember their entire time in SJPS. Over 700 middle school students were riveted and hanging on every word Mike said. The message was one of hope, optimism, pursuing your dreams, and being a great person. It was truly a great way to kick-off the new school year!"*

~Principal Mandarino

## ArtPrize 2018

**ArtPrize** is an open, independently organized international art competition which takes place for 19 days every fall in Grand Rapids, Michigan. More than five hundred thousand dollars in prizes are awarded each year, which include a \$200,000 prize awarded entirely by public vote and another \$200,000 prize awarded by a jury of art experts.

#SJPSFGrant

The **SJPS Foundation** has awarded art teachers Matt Culver, Julie Beam and Joe Fralick a teacher grant for the 6th year to transport over 100 visual arts students to ArtPrize.

Students research the artists and the event prior to the trip and according to Mr. Culver, the event kick-starts the creative environment in the classroom for the year.
