Since 2005, the St. Joseph Public Schools Foundation has provided grants to teachers for activities and programs that are not funded by the general fund of the school district. Teacher Grants are awarded yearly at the Staff Opening Breakfast and are for K-12 teachers to use in their classrooms. In the past 5 years, the Foundation has awarded over \$140,000 to K-12 teachers.

Mr. Robertson, 4th grade teacher at E.P. Clarke Elementary, started an interactive book club with his 2015-16 SJPS Foundation Teacher Grant.
