

Thank a Staff Member

FOR MAKING A DIFFERENCE

Few people influence our lives and community as much as does the staff at St. Joseph Public Schools. Now there is special way to honor a teacher for making a difference in yours or your child's life. Or thank a former school secretary who brightened your day with her smile. Or pay tribute to a custodian who goes above and beyond to maintain our buildings. Or thank a coach or principal for being an inspiration.

You can honor or memorialize these dedicated men and women for their commitment to excellence and make a donation to the St. Joseph Public Schools Foundation. Your contribution will support new technology or educational enrichment activities and materials. Your thank you makes a great holiday or end-of-the year teacher gift too!

We will acknowledge your thank you by:

1. Presenting a certificate to your honoree with your name and message on it.
2. Publishing the name of your honoree in our newsletter and Web site.

You may individually extend your thank you or make a collective gift from your class or organization. To send your thank you, please complete the form on the other side.

The St. Joseph Public Schools Foundation enriches the education of St. Joseph students in so many ways!
